All classes are designed to be well-balanced, taking into consideration the emotional and physical development of each student. All teachers agree that these guidelines must be strictly followed to ensure a fair, safe, and enjoyable experience for everyone.

It is also in each student's best interest to be placed in classes that reflect their age and skill level.

Class placement remains at the discretion of the teachers and the studio.

Please note: Students in Year 7 and above are required to attend **two or more classes per week** in any style to achieve maximum benefit.
