Michelle Rae School of Dance

☆ 2024 Timetable ☆

The classes are planned to be well balanced, taking into consideration the emotional and physical development of each student. All teachers agree that this must be strictly adhered to in order to be fair, safe and enjoyable for all students.

In addition, it is in the student's best interests to be in their age/skill appropriate class levels. This is at the teachers/studio discretion.

Please note that it is a requirement for students in Year 7 and above at school to attend TWO OR MORE classes per week in any style to gain maximum benefit.

Some classes may be subject to variation depending on enrolment numbers.
